TWENTY THREE YEAR AFTERTASTE KEEPS THE FRAGRANCE

"The fragrance remains old" — because the secret of the unique quality lies in the rich old process by the Expert. This is the signature to use the famous top level
the traditional Chinese pastries made through 23 years of working hard the way. Strictly the production quality, with elegant packaging, combined with the traditional culture, in the
more the subtle quality, is your best choice. From the production process and process and the traditional process the same.
